

Outstanding Chocolate and Black pups born on Easter. 11 in the litter (6 chocolates and 5 blacks) Only 1 Black Male left! Sadie's puppies are going all across the Eastern US: MN, MD,FL,NY,GA and TN.

Sire is Redline Skip Code "Tork" MH QAA. Tork is OFA Excellent, Elbows Normal, CERF Clear, CNM Clear, and EIC Clear. Tork is hard charging, but is great inside and with kids. Tork is currently working on his UKC HRCH title. Tork is out of FC AFC Esprit's Power Play and FC AFC Hannah's Eye of the Tiger. For more information on Tork, please take a look at his website, <http://www.akestuddog.com/tork/>.

Dam is HR Sadie Mae Bishop (Chocolate) OFA Good, CERF Clear, CNM Clear, and EIC Clear. Sadie is an outstanding hunter. She has a great temperament. She loves being inside with the kids as much as being in the duck blind. She is a UKC Hunting Retriever. A few dogs in her pedigree include HRCH Cypress Slew Bodacious, NFC, FC, AFC Five Star General Patton, and FC AFC Wild Wings Hurricane Storm. This lineage insures that you will have the most trainable, healthy pup available.

Pups are being raised in our home and will be well socialized. They will be introduced to birds, water, gunfire, children, and other dogs. They will have all de-worming treatments, have dewclaws removed at 3-days, and have first shots – all will be vet-administered. Shipping is no problem from Knoxville, TN and rates are very reasonable. We ask for a \$200 deposit to hold your pick. Blacks are \$700 and chocolates are \$750. This will be a great litter. Please let us know if you are interested so we can hold one for you. Pups will be ready to go the end of May.

Thanks,  
Richard Bishop
